To whom it may concern.

My name is JERRY W. WILEY. My patent publication
No. US-2005-0116492-A1. Publication date 6-02-05.

I have spent many hours preparing and
working with your Department, not to mention
the money I have spent with your Department.

I have nothing but problems with your EXAMINER
Gregory Blankenship. This man is incompetent
and should no longer be working for your Department.
I will explain why.

2

I have talked and been in constant contact with Mr. Blankenship throughout this process.

I received a notice of abandonment from Mr. Blankenship. I immediately called and questioned Blankenship on this matter. I requested information on what he said was similar patents (i.e.) US 5,550,681 08-1996 CLASSIFICATION 359/872 KEVIN, P MAZARAC, US-6 302,465 10-2001 CLASSIFICATION 296/391 FABER, ET AL. I requested these patents on at least 3 or 4 occasions so that I could compare these patents to my submitted patent request. Mr. Blankenship never sent these documents. Subsequent messages were left on his recorder. To this day Blankenship has refused to call me.

Every time I talked to Blankenship I informed him that I needed to see similar patent information.

I asked him if other patents had an electric operated pick up tailgate and he informed me NO. Each telephone call I advised Blankenship that I wanted the patent on the electric operated tailgate which was submitted in my original patent application 10/724,597.

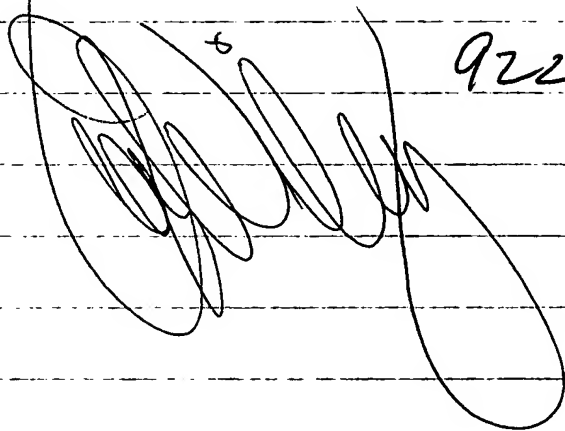

I hereby request the following items.

1. Cancellation of notice of abandonment.
(until this matter is resolved.)
2. A copy of my published patent US2005 0116492 A1
3. Patent U.S. 5,550,681 08-1996 Classification 359/872
KEVIN P MAZARAC, U.S. 6,302,465 10-2001
Classification 296/391 FABER ET AL
(FOR MY REVIEW.)
4. Patent for my electric powered safety travel tailgate with EAGLE eye rear view mirror. (as submitted in original patent application.)
